## IT Week in Review

### DIMC Closure: Additional Information

The District Instructional Media Center will be ceasing operation *on June 6, 2009*.

As we approach the sunset of the DIMC, we find that more users have been asking questions about the resources.

Please see [this webpage](#) to read the latest information released by the Instructional

Technology team. Frequently asked questions about the DIMC closure or the Digital Content Initiative can be found [here](#).

### Take My Teacher Home

The Take My Teacher Home project was one of many featured exhibits at the Impact On Education Awards, held April 16th at the University of Colorado. The event celebrates the many projects that Impact funds and recognizes the outstanding work of the teachers in our district.

The year 2 Take My Teacher Home project was funded in part by Impact on Education.

### Summer Classes for Teachers

This summer there are many Teaching with Technology classes being offered for teachers. The offerings include Comic Life, Pixie 2 (Elementary), Mixcraft, InfoCentre and many more.

For more information or to register for any of these classes, log on to [Avatar](#).

### Training Sessions

The following are recent training sessions conducted by the IT Department. For a catalog of available classes, visit our professional development website, [Avatar](#).
