Provider Directory

Welcome!

Since 1958, Delta Dental has been providing high quality, comprehensive dental benefits in the state of Colorado and nationwide. As a non-profit organization, our mission is: **To improve the oral health of the communities we serve.** The people of Delta Dental work to provide high quality customer service to our members. And the relationship with our dentists is key to achieving our mission.

This dentist directory is a valuable tool for helping you find a dentist or dental specialist in your area. The information provided in this directory is not an endorsement of a particular dentist or dental specialist suitable to your needs.

Although we try to ensure that our dentist directories are as accurate as possible, the information in the directory is subject to change at anytime. We encourage you to check our website at www.deltadentalco.com for the most current information about participating dentists near you.

Dentist Network

This dentist directory is for Delta Dental PPOSM.

Pre-treatment Estimate

If you expect to have dental services that exceed \$400, we recommend your dentist submit the treatment plan to Delta Dental for review before any work is actually done. A pre-treatment estimate allows both you and your dentist to know exactly what is covered and what your plan will pay. There is no additional charge for having a pretreatment estimate.
