

# Corporate Membership at the Longmont YMCA

## Why Join?

At the Longmont YMCA we strive to serve the whole family with programs that promote health, togetherness and a sense of community. The YMCA offers programming for adults, seniors, kids and teens looking to get fit, play sports or simply stay in shape or keep active.

Your membership at the Longmont YMCA includes unlimited use of the facility including the elevated indoor running track, weight training and cardio centers, the eight-lane pool, racquetball courts, spacious locker rooms, two full-sized gymnasiums and free ChildWatch nursery service.

## The YMCA Difference

The YMCA is committed to helping people build healthier lives, from a spirit, mind and body perspective. We focus not only on your physical health, but on helping you develop friendships, build stronger family ties, support character development in youth and provide opportunities for children to grow healthy and strong. The YMCA is much more than a work-out facility, and includes childcare, youth development and a variety of community programs. Financial assistance is available, so that no one is turned away for an inability to pay. By participating in the YMCA, you're not only doing something good for yourself, but you are helping to build a stronger community for everyone.

## YMCA Mission

To put Christian principles into practice through programs that build healthy spirit, mind & body for all.
