

How do I find a Great-West Healthcare provider?

Log in to www.mygreatwest.com

1. Click on “Find A Provider” – located in the center of the screen
2. On the next screen, click on the “Find a Great-West Healthcare Provider” link
3. On the next screen choose the option by which you would like to search:
 - a. Search for doctors by medical condition
 - b. Search for any provider by medical specialty or type
 - c. Search for any provider by name
 - d. Select a saved search
4. Regardless of the option chosen in step 3, on the next screen choose the following:
 - a. Select a plan : “PPO”
 - b. Select a network : “Great-West Healthcare”
5. Then depending on what type of search you are using select :
 - a. medical condition
 - or
 - b. provider type and provider specialty
 - or
 - c. provider type and provider name
6. Then for all searches, put in the address from where you are starting your search and the mileage criteria.
7. Don’t forget to save your search if you think you may be accessing this information in the future!
