*The information provided above is true and correct to the best of my knowledge. I authorize any health care provider, insurance company, or other organization, institution, or person that has any information regarding my benefit eligibility or claims to release such information to the claims administrator. A copy of this authorization shall be considered as effective and valid as the original. I understand that any misrepresentation on this document may be cause for dismissal and may result in my coverage being void as of its effective date with no benefits payable. **Vision premiums will be deducted from each monthly paycheck. This is part of the district's Section 125 plan. Pre-tax deductions are not considered salary for PERA purposes. Pre-tax deductions increase your take home pay but reduce your PERA eligible salary. Post-tax deductions reduce your take home pay but maximize your PERA eligible salary. If you are within 4 years of retirement, take time to evaluate whether or not you should participate in a Section 125 plan.***
