

**Casey Middle School  
Boulder Valley School District  
Project #07-06**

**Design Advisory Team Meeting #13  
January 14, 2008**

**Attendees**

X	Alison Boggs – Casey Principal	X	Joyce Pierpont –Teacher-Librarian
X	Anthony Gonzales – Parent	X	Judy Amabile – Parent/Neighbor
X	Audra Blackledge – Teacher – PE		Kathryn Singey –Reading Teacher
X	Bill Heraly – Saunders Construction	X	Kay Rasmussen – Saunders Construction
X	Carrie Hausfather – Parent/ Staff	X	Kristin Fitzgerrell – Parent/Neighbor
	Cathie Williamson – Gifted/Talented Coor.	X	Leanna Landis – Student
X	Cindy Jarmon – Casey Staff		Lesley Smith – BVSD
	Dan LeBlanc - YRG	X	Lester Lurie – Casey Teacher
X	Derek Young – RB+B Architects		Lisa Van Leuwen-Hall - Parent
	Don Orr – BVSD	X	Lou Novak – BVSD
X	Doug Young – Parent	X	Miguel Villalon –Assistant Principal/Parent
X	Ed Campisi – Casey Head Custodian		Molly Hoverstock – Casey Art Teacher
X	Elene Mooney – Parent		Nan Anderson – Andrews & Anderson
X	George Brelig – RB+B Architects	X	Rebecca Spears – RB+B Architects
X	Graham Coddington – Saunders Construction	X	Richard Foy – Parent/Comm. Arts
	James Hewat – Historical Pres. Planner		Robert Wade – Saunders Construction
X	John Koval – Parent		Tom Noyes – BVSD
	Jonathan Koehn – Environmental Affairs		Tom Volkhausen – Energy Engineer/Parent
	Josh Radoff – YRG Consultants		CU Student
X	Carol Henry – Design Concepts	X	John Beynon – Educational Facility Planner

**1. Introduction of Guests**

- John – Educational Facility Planner – friend of Elene’s.

**2. Explanation of Site Constraints**

- North-facing classrooms for optimum daylighting.
- Gym location works well towards east side of site – close to parking and fields
- On-site parking of 80 cars – kept back from building
- Keeping south and west walls with plaza surrounding

**3. Comments on Site Layout**

- Increase security along east property line. Adding the road and lighting along that area will help eliminate the situation of homeless use and drug use.
- Outdoor eating areas near the cafeteria are important
- Visitor parking could function off existing lot to the east
- None of the schemes encroach on the fields to the north

#### **4. Option 1**

- Includes interior courtyard which can provide daylighting to cafeteria and media center
- Courtyard would have glass walls all around
- Multiple entrances – will be closed off during the school day so guests will have to come through main entrance
- Plaza areas on the west may not work for free time. Need supervision of students and interaction with public.

#### **5. Option 2**

- Cafeteria is center space which would be large open commons area which opens out onto front grassy area
- Media center is all along west wall
- Auditorium is to the east – closer to parking
- Busses unload students at hard-surface playground

#### **6. Option 3**

- Cafeteria is located to the south
- Auditorium is buried in the middle of the school
- Entrance to parking is off main bus loop, parking to east on this scheme. Can be incorporated into any scheme.
- Admin is located closer to classrooms, and more centrally located.

#### **7. Option 2a**

- Commons / cafeteria is in center
- Media center is along west wall
- Auditorium is towards east near other “public” areas near the parking
- Classroom levels could be split with 2-story and 3-story stacking
- Classroom pods are clustered around common areas with lockers and tables and chairs which could be used for small-group learning as well as social interaction
- Upper level has a green roof which can be used as classroom lab space
- Exterior green space between cafeteria and auditorium becomes outdoor courtyard nestled into south side of building
- Music rooms should be closer to auditorium, can trade places with technical ed
- Consider what form auditorium would take since its on the exterior south wall of the building
- Look at forms of building in 3D for next meeting
- Admin is ok near front of site, but could explore moving it to center where music and staff lounge/work room are now

#### **8. Misc Items**

- Add scale to plans
- Update meeting schedule

#### **Next Meeting**

Monday, January 28th, 2008, 7:00AM Casey Middle School

- Monday, January 21<sup>st</sup>, 2008 is a school holiday. There will be no DAT meeting that day.
