

CPO Science Middle School Physical Science

- Physical Science Textbook Set (Student Text and Investigation Manual) \$70.00

Provided FREE with the purchase of 30 student textbooks and investigation manuals:

- **Complete Equipment Kit:** (purchased separately: \$1385.00)

Includes one of each of the following: Car and Ramp, Roller Coaster, Physics Stand and Base, Atom Building Game, Electric Circuits, Displacement Tank, Density Cubes, Timer, Photogates, Spring Scales, Periodic Table Tiles, Pendulum, Ropes and Pulleys, Color Mixing Set

- **Teacher Toolkit** (purchased separately: \$400.00)

Electronic Book and Investigation Manual

Provided with every student textbook, contains the entire student book and manual

Examview Test Generator Software

Contains over 1000 assessment questions; includes multiple choice and multi-form questions for every chapter, questions are provided at three ability levels: basic, intermediate, and advanced.

Teacher Resource CD-Rom

Skill and Practice Worksheets, Pre-assessment questions, ELL strategies, Lab Answer Sheets, Graphic Organizers

Lesson Organizer

Teacher resources and program components linked together for easy lesson planning

Teaching Illustrations CD-ROM

Design handouts, PowerPoint presentations and transparencies

Physical Science Interactive DVD

Interactive learning opportunity to expand student understanding, graphics and video demonstrations, simulations, visual and verbal definitions to demonstrate both process and content

- **Professional Development Workshops** (\$500 per day value)

Hands-on teacher workshops, up to 4 days per year for the entire adoption period, are included at no cost for the district.

(Please refer to Professional Development document enclosed)

CPO Science Middle School Physical Science Equipment Kit

The advertisement features a central image of the equipment kit. On the left, a black physics stand with a wooden base is shown. In the center, a wooden rollercoaster track is set up on a wooden base. To the right, a wooden pendulum stand is visible. Various other items like a timer, a displacement tank, and a magnifying lens are scattered around. The background is a light purple gradient. The CPO Science logo is at the top center, and the text 'Physical Science' is in large blue letters. A red oval on the right says '1 Equipment Kit Provided with every 30 Book Sets!'. At the bottom, the text 'EQUIPMENT KIT' is in large blue letters, followed by a list of items and the CPO Science logo with the tagline 'A member of Science Specialty Science'.

EQUIPMENT KIT

cpo science A member of Science Specialty Science

- Car and Ramp
- Rollercoaster
- Physics Stand and Base
- Ropes and Pulleys
- Periodic Table Tiles
- Atom Building Game
- Electric Circuits
- Pendulum
- Timer
- Displacement Tank
- Density Cubes
- Timer Cords
- Photogates
- Spring Scales
- Magnifying lens

Also included: Flashlight & Gel Set (not shown). One physics stand included in kit. Multiple physics stands shown for display purposes only.
