Teacher's Guide

Test Bank CD ROM

Test banks organized by chapter, which allow you to customize assessment. A variety of test formats such as multiple choice, essay, short answer, and problem solving are included.

Color Teaching Tools CD ROM

Color illustrations of specific concepts covered in the student text. Excellent for overheads and PowerPoints.

Student Skill Sheets

Extra practice and reinforcement sheets for students - perfect for homework assignments.

Spanish Translations

Chapter Summaries and Skill and Practice Worksheets translated in Spanish

Blackline Masters

Sheets where students record answers and data for the hands-on investigations in the lab manual. These record sheets are reproducible for your classroom.

Interactive Lesson Organizer

Teacher resource CD with all program components linked together for easy lesson planning. Includes powerpoint presentations for each chapter and instructional videos.

- **Professional Development Workshops** (\$500 per day value)

Hands-on teacher workshops, up to 4 days per year for the entire adoption period, are included at no cost for the district.

(Please refer to Professional Development document enclosed)
