

Funding for BVSD teachers to attend summer Facing History Seminars

- “The seminar had a very **profound** effect on me.”
- “This seminar has been an incredibly **rewarding** experience.”
- “This seminar has provided me with many more **relevant** tools to help teach subjects that are so tough because they really question our own humanity.”
- “I have never been so **impressed** by a seminar in my life.”

These teacher quotes help to illustrate why the summer seminar is the centerpiece of Facing History’s professional development. Over the course of five days, educators are immersed in the Facing History scope and sequence. **We hope you will join us this summer for our June [Choices in Little Rock](#) or July [Holocaust and Human Behavior](#) seminars. [Click on the links to apply!](#)**

Boulder Valley Schools will pay for the first 5 attendees. Please contact Lucy Simpson @ 720-561-5088 if you would like to attend. You will still need to register with Facing History using the links above.

SCHOLARSHIPS

Our Denver/Rocky Mountain States region is blessed to have an **endowed fund that provides scholarships for educators like yourself**. We hope you request a scholarship during the application process above.

It is Facing History’s policy that scholarships are awarded after teachers have pursued professional development funds via their school or district first along with seeing what personal funds would be available. So, we encourage you to check with your school and district right away so you can respond to those questions during the scholarship application process.

If you or your administration needs more information on Facing History, I’ve also **attached a NEW brief guide** to our work.

RESOURCES

Each teacher will receive a resource book & curriculum materials related to that seminar. Attendance at this seminar also qualifies participants to become a member of the Facing History and Ourselves network with access to our full [lending library](#) which includes our extensive collection of DVDs, videotapes, multimedia resources, class sets of books, and other materials that coordinate with the key themes of the Facing History and Ourselves program.

GRAD CREDITS WILL BE AVAILABLE (details coming soon!)

We hope you can join us! Please email Karen if you have any questions at karen_mortimer@facing.org.

All the best,
Fran Sterling
Director, Denver/Rocky Mountain States Region
