

With Old Town Cinema, the Boulder JCC is offering this exciting new film program...

After School Film Fans

Film Fans meet weekly at the Boe's state of the art cinema to watch an amazing selection of six youth/teen oriented films programmed and taught by Old Town Cinema film educators, guest filmmakers or other speakers from Boulder's vibrant film community. This series allows budding filmmakers and film buffs to learn about the history and art of creating great cinema. Each session includes pre and post-screening activities that aim to enrich as well as entertain the audience. In addition, students involved in the film club will plan and program a special teen movie night!

Ages 14-18

6 Mondays starting February 6
(no class on February 20)
