

Dear Boulder Valley elementary teacher:

The Program for Teaching East Asia (TEA) offers Boulder Valley elementary teachers the opportunity to enrich their classroom units on Asia through "It's Elementary" Service Project. Through this program, CU undergraduate students who are studying Asia can visit your classroom as guest presenters. This year we have presentations available for Japan, China, and India from early February through end of April, 2012. Please see attached invite letter for more information.

If you are interested in participating in the program, please fill out the application form which can be found at the end of the invite letter and either mail it to the TEA office or email it to me at julie.kang@colorado.edu by **Friday, December 9, 2011**.

Should you have any questions or concerns, please don't hesitate to contact me. I look forward to working with you!

Sincerely,

Julie Kang
