2011-2012 Employee Contribution Campaign

I heard we can make donations online. Is that true?

Yes, employees can make their pledges online at <http://bvsdgiving.cshares.org>. If you choose this pledging option, please make sure to have your employee ID number handy when you visit the site to make your pledge. Your employee number can be found on your paycheck stub.

Please note - your email address is your unique identifier for the online giving system. Please do not use a shared email address for your pledge.

If I use the online system, do I also need to fill out the paper pledge form?

No, only one form is needed, either the online pledge OR the paper form.

If I am already contributing, do I have to fill out the new pledge form or pledge online?

Yes, your pledge is good for only one year and must be renewed for 2011-2012.

How should I make out my check(s)?

- Please make check(s) payable to:
 - ✓ Impact on Education
 - ✓ Community Health Charities of Colorado
 - ✓ Foothills United Way
 - ✓ Community Shares of Colorado
- If you make a one-time contribution to more than one organization, attach a separate check for each donation to the pledge form.
- Do not make checks payable to Boulder Valley School District. We will accept cash, but checks are much safer to handle.

When are pledges due?

Pledge forms and one-time donations are due in Human Resources by **Friday, October 28, 2011**.
