

Based on a request from our schools, I recently brought up a question to other districts for “Air Mice” Advice. This was a new issue in BVSD, due to the fact we are currently installing projectors in every classroom, and now our teachers have an increased need for a durable solution. Here is an encapsulation of the statewide feedback, so that BVSD teachers can proceed with purchases with a bit more confidence:

- <http://is.gd/5MUBc> recommended by Kyle Addison, Adams 12
- <http://is.gd/5MUyL> recommended by Kyle Addison, Adams 12
- USB bluetooth logitech notebook mouse. \$19.99 at office depot. Great Battery life recommended by Lance Nozot, Lewis-Palmer
- <http://www.mobileairmouse.com/> (iPhone app) recommended by Chris Rule, West Grand
