

Boulder Valley School District

File: JS E-2

Adopted: February 26, 2007

ACKNOWLEDGEMENT REGARDING USE OF TECHNOLOGY

1. I have read and understand Boulder Valley School District's "Student Use of District Technology" Policy JS and its supporting regulation "Appropriate Use of Technology Resources for Students" which can be referenced through the BVSD website at:

<http://www.bvdsd.org/policies/Policies/JS.pdf>

<http://www.bvdsd.org/policies/Policies/JS-R.pdf>

and agree to abide by all terms and conditions. I further understand that violation of these terms and conditions may result in the loss of the privilege to use these educational tools, school disciplinary action including suspension or expulsion, legal action, and/or restitution by the user for costs associated with any damages caused by such violations.

Student's signature (required for 4th and 5th graders only)

2. At the elementary level, electronic communications (e-mail, blogging and podcasting) are not made available to students unless requested by a teacher, connected to a specific curriculum unit, explicit parent/guardian and principal permission is acquired, and close supervision by adults is provided.

3. As the parent or legal guardian of the above student, I have read the Boulder Valley School District's "Student Use of District Technology" Policy JS and its supporting exhibit "Appropriate Use of Technology Resources for Students".

If the YES box below is checked, I, the parent or legal guardian of the above student, give my express consent to his/her use these resources and agree to ensure that my child understands and abides by the terms and conditions of the "Appropriate Use of Technology Resources for Students" statement. **If the NO box is checked**, I understand that my child will not be able to use school technology to:

- Perform basic word processing, build spreadsheets, or browse the Internet
- Conduct research on classroom or library computers
- Search the school library catalog for books/resources
- Download educational videos, podcasts, simulations, or content
- Publish student work
- Fulfill requirements in computer lab assignments
- Conduct science experiments using computer-based simulations or probes
- Do computer presentations in class
- Engage in distance learning experiences
- Use clickers or other classroom assessment technologies
- Engage in online collaborative projects
- Engage in electronic discussions with experts outside the classroom
- Share or exchange files with students in or outside the classroom
- Store student work for retrieval at home

YES NO use of district technology resources

All students, regardless of age, must have this acknowledgement signed by a parent or guardian in order to access technology resources at school.

Parent/Guardian signature
