SEVERE WEATHER CLOSURES

Under all but the most extreme conditions, school officials have a responsibility to keep school in session. When the weather is bad, but school is open, parents must make a family decision regarding attendance or late arrival for their children. A call or a written note will excuse a student's late arrival or absence during these conditions. When weather is severe enough to close schools, it is extremely important that working parents have pre-arranged child care available to them. School closures are announced on BVSD's website at www.bvbsd.org and the following television or radio stations (notification is given prior to 6:30 a.m.)
