

Hi BVSD Teachers!

After a harrowing day of delayed score postings on NBPTS.org, you finally found out how you did. No matter what the result, you did your best; and now you will move forward to the next step. I am here to assist you.

**\*If you certified:**

1. On behalf of the BVSD school district, CONGRATULATIONS!

Please set aside Tuesday, January 10<sup>th</sup>, 4:30-6:30 to attend reception and presentation at the board room meeting to be honored for your accomplishment. We have a special program just for you.

2. Forward your confirmation email to Carolyn Schott to process your 5% stipend, which will kick in in January.

3. I have attached the forms for university credits.

\*\*The Adams State Credits are available once you send off your submission (3 for portfolio) and take the assessment center exercises (3 for assessment.) You must provide documentation of submitting portfolio and taking the assessments.

\*\*Once you certify, you can obtain your ACE transcript and then use it to apply for 9 additional credits from UCCS.

4. A reminder for tuition reimbursement requests, a maximum of 3 credits in the fall and spring semesters and 10 summer semester credits are eligible.

**\*If you are in the retake category:**

1. I am sorry. This is NOT a reflection on you or your teaching. You are still the fabulous teacher you always were. Get together with your mentor and decode your scores to make a plan for retaking. YOU CAN DO THIS!

2. There is one credit available for you in this process. A reminder for tuition reimbursement requests, a maximum of 3 credits in the fall and spring semesters and 10 summer semester credits are eligible.

Congratulations on all your hard work.

Virginia Schick
