Board of Education

The Boulder Valley School District Board of Education is made up of seven publicly-elected members. Among other tasks, the members are responsible for overseeing all activities in the school district, setting policies that govern schools, and approving the district's annual budget. Board members serve four-year, unpaid terms. They represent all communities in the 495-square mile Boulder Valley. In addition to volunteering their time, all Board members are financial contributors to BVSD. The Board meets every second and fourth Tuesday of the month, starting at 6:30 PM; regular meetings are open to the public. Minutes of Board meetings are available at district offices and also at the BVSD website: www.bvdsd.org. Board meetings are also aired live and on tape by several local cable television stations. Please see the website for current times.
