## COMBINED GENERAL FUND

General Operating Fund: This fund is the major operating fund of the district. It is used to account for all financial resources of the district, except those required to be accounted for in another fund.

Technology Fund: This fund includes the expenditures for a four-year computer replacement program as well as staff training and software as needed. These funds were approved by voters in the November 1, 2005, election.

Athletics Fund: This fund includes the expenditures for interscholastic sports for grades 8-12 and intramural athletics at all grade levels. Revenues include a transfer from the General Operating Fund as well as student participation fees and game admissions. The activities related to interscholastic sports for charter schools are recorded within the individual charter school's budget.

Preschool Fund: This fund was established by the voter-approved 2010 Mill Levy and will account the monies associated with the operation of tuition-based preschool programs at the Mapleton Early Childhood Center and 19 elementary schools.

Colorado Preschool Program Fund: A portion of a school district's per pupil operating revenue must be allocated to the district's Colorado Preschool Program as a result of Senate Bill 01-123. This fund accounts the required expenditures of those funds.

Risk Management Fund: This fund accounts for the resources used for the district's risk management activities including liability, property, and workers' compensation insurance.

Community Schools Fund: The Community Schools Fund is used to account for the district's educational and enrichment opportunities provided through extended use of Boulder Valley School District facilities.
