

Are you happy with your health insurance?

Boulder County Healthy Kids, in partnership with the Boulder Valley School District, enrolls eligible children and families in Medicaid, Child Health Plan *Plus* (CHP+), and SNAP. Medicaid and CHP+ are free or low-cost comprehensive health insurance plans with no monthly premiums. SNAP is the Supplemental Nutrition Assistance Program which can help families buy more of the healthy, nutritious food they need.

Healthy Kids can also connect families to Connect for Health Colorado, the public health insurance marketplace, where people can shop for health insurance and access tax credits to reduce monthly premiums.
