Available Medicaid Health Plans

- **Regular Medicaid (Fee-For-Service)** allows Medicaid clients to get services from any provider that accept Medicaid clients. There is no need to get referrals for care, but doctors are not required to take new patients either.
- **Accountable Care Collaborative** is a new Medicaid program to improve clients' health and reduce costs. Medicaid clients in the ACC will receive the regular Medicaid (Fee-For-Service) benefit package, and will also belong to a "Regional Care Collaborative Organization" (RCCO), in addition a Medicaid client will also choose a Primary Care Medical Provider (PCMP).

OMBUDSMAN for Medicaid Managed Care Plan-If a consumer is concerned about being denied care, or inaccessible facilities, doctors being rude, being forced to wait an unreasonable amount of time, or not getting calls returned, they can call the Ombudsman for help: 303-830-3560 or toll free 1-877-435-7123 (1-877-HELP123), or e-mail: help123@maximus.com.

IMPORTANT:

- Many doctors will continue to see established patients if they become Medicaid eligible. If you have been seeing a doctor regularly, call to see if he/she will accept Medicaid.
- Always bring your Medicaid identification card (Medicaid card) with you to your appointment.
- If you can't make your appointment, make sure to cancel at least 24 hours before.
- Please make sure that the provider you are choosing participates in your child's Medicaid health plan.
- If you are not sure which Health Plan your son or daughter is enrolled in, call Health Colorado (www.healthcolorado.org) at 303-839-2120.
- Children 18 years of age and under and pregnant women are co-pay exempt under all Medicaid health plans.
